

Comments with respect to K-LOVE radio network.

The K-LOVE station serves my needs as a Christian to hear positive and encouraging messages throughout the day and keep me focused on a Godly life. The elimination of the K-LOVE station would take away a needed outlet for many seeking guidance in life. The result would be more un-Godly behavior in our community.

The K-LOVE station helps to bring those that are astray, back to the light and improve their behaviors in the community and it keeps others in check in the same way.

Thank you and God Bless.
